

April 21, 2025

Dear Revenue Owner,

This letter is to inform you of an error that occurred during our February 2025 revenue distribution. Due to a misallocation of revenue interest, you received an overpayment in your February check.

We have identified and corrected this error. As a result of the overpayment, you currently have a balance held in suspense. This balance represents the difference between the amount you were paid and the amount you should have received. Please be assured that this issue has been resolved, and we have taken steps to prevent similar errors in the future.

The suspense balance will be netted against future revenue distributions. You will receive the correct distribution amounts going forward but will not receive a royalty payment until all amounts have been recouped.

We understand that this error may cause inconvenience, and we sincerely apologize for any confusion or disruption it may have caused.

Sincerely,

Inflection Energy (PA), LLC
