Dear [Royalty Owner's Name],

Re: Voidance and Reissuance of Uncashed Royalty Checks

We are writing to inform you that a review of our records has revealed that one or more of your recent royalty payments issued by Inflection Energy have not been cashed. As a result, these checks have been voided.

We would like to assure you that the checks will be reissued by Formentera Operations LLC, who is the new Operator of the leases and wells. The reissued payment will be processed and sent to you as soon as possible. Please expect the replacement payment combined with current sales to be mailed to your address listed in our records. We appreciate your patience during this transition and while all records are loaded into Formentera's accounting software.

If you have moved or if your contact information has changed, we kindly ask that you notify us promptly to ensure the new payment reaches you without delay.

Should you have any questions regarding this matter or need assistance, please feel free to contact Formentera Operations at (512) 646-0881, email ownerinquiry@formenteraops.com, or visit their website at Formenteraops.com. Their team is available to assist you with any inquiries.

Thank you for your attention to this matter. We appreciate your continued partnership during this transition.

Sincerely,

Marci Cyone
